CD Release Party!

Join us to celebrate local
singer-songwriter
Isabel Taylor's
debut release *Awake Again*
featuring 12 original tracks on
self-reflection, lessons learned,
and the path forward.

A songwriter's songwriter with deep roots in the folk tradition.... Isabel's moving lyrics ride perfectly on top of waves of acoustic guitar. Her vocals, tender and somewhat haunting, echo the truth of her insights on life, love, and the human condition.
